DESCRIPTION OF MAC'S SERVICES

MAC provides a One-Time Password (hereinafter "OTP") using SMS text message as an enhanced security feature to protect against identity theft and account takeover when making purchases online. YOU have subscribed and expressly consented to receive a One-Time Password via SMS text on your Personal Digital Assistant (hereinafter "PDA") from US for enhanced two-factor user authentication and payment security purposes regarding your account.

The password YOU receive on your PDA is a OTP that is a random code that will be entered into a secondary device as part of a financial transaction or other action that requires a "password" from you in order to proceed with the transaction. Our OTP sent to you and entered properly into the transaction enabling device will allow the transaction to move forward or to complete other "entry" tasks such as open your computer or gate to your apartment building.

Often, the OTP will be accompanied by an advertisement or message. Message frequency depends on each individual user. Message and Data rates may apply to YOUR reception of the OTP. YOU will be responsible for the payment of any charges that arise from the use of the OTP service that your mobile service provider may charge YOU. You acknowledge, understand and agree that WE shall not be held liable for any delays in the receipt of our SMS text message or OTP to YOU, as its delivery is subject to effective transmission from your mobile service provider. Delays, interruptions and technical issues that arise from YOUR use, misuse, abuse and YOUR care and maintenance of the sophisticated device that receives YOUR OTP are not the responsibility of MAC.

Messages sent via SMS may not be delivered to YOU if your phone is not in range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within a coverage area, factors beyond the control of your wireless carrier may interfere with message delivery, including the customer's equipment, terrain, and proximity to buildings, foliage, and weather. YOU acknowledge that urgent alerts may not be timely received and that your wireless carrier does not guarantee that alerts will be delivered. YOU may miss seeing an important OTP message if YOU are using the PDA for another use such as a telephone call, a video or a game. WE are not responsible for the delay in entering an OTP because of your use of your PDA. OTP MESSAGES ARE TIME SENSITIVE AND EXPIRE WITHIN A LIMITED PERIOD OF TIME AND CANNOT BE REUSED. ENTRY OF AN EXPIRED OTP WILL NOT ACHIEVE TRANSACTION APPROVAL OR SUCCESS IN ANY "ENTRY" ATTEMPT.

Content may not be available on all carriers. Participating carriers are: ACG, ALLTEL AWCC, AT&T Mobility, Boost, Cincinnati Bell, Cricket, Google Voice, Metro PCS, Nextel, Rural Carrier Groups, Sprint, Tier 2/3 Carrier Group, T-Mobile, U.S. Cellular, Verizon Wireless and Virgin Mobile. Data obtained by US from YOU in connection with our providing YOU the text messages as described above may include your cellular number, the name of your mobile service provider, and the date, time and content of the text messages we send YOU. WE may use this information to contact YOU and to provide the text messages YOU have requested.

MAC DOES NOT SELL OR RELEASE YOUR PRIVATE INFORMATION LIKE YOUR TELEPHONE NUMBER TO ANY ONE AT ANY TIME. ANY MESSAGES YOU RECEIVE DERIVE FROM MAC ONLY AND NOT A THIRD PARTY. NO THIRD PARTY HAS ACCESS TO YOUR CONFIDENTIAL INFORMATION AT ANY TIME.

MAC may determine, in its sole discretion, to limit the use of the Services, add data storage limitations, change fees for the Services or otherwise modify the Services in the future. You acknowledge and agree that these changes may take place and that MAC shall have no liability stemming from such changes.

Any additions or modifications to the Services shall be in the sole discretion of MAC and will be subject to these Terms of Service. You are solely responsible for any fees, charges and expenses incurred by you in accessing and using the Services - including, but not limited to, standard text messaging charges that will depend on the plan that you have with your wireless carrier. MAC uses reasonable efforts to ensure that the Services are available on a 24/7 basis. However, there will be occasions when the Service will be interrupted for maintenance, upgrades and emergency repairs or due to failure of telecommunications links and equipment that are beyond the control of MAC. By using the Services you agree that MAC shall not be liable to you for any modification, suspension or discontinuance of the Services.

All materials displayed on the Site including, but not limited to text, graphics, news articles, charts, presentations, User communications photographs, images and illustrations, shall be referred to herein as "Content." MAC attempts to maintain a website that is absent of offensive, indecent or objectionable Content. YOU understand that by using MAC, YOU may be exposed to this Content. Under no circumstances will MAC be liable in any way for any Content, including, but not limited to, the subject matter of any Content, any errors or omissions in any Content, or for any loss or damage of any kind incurred as a result of the use of any Content posted, emailed, transmitted or otherwise made available via MAC.
